

INTERNSHIP PROJECT MANAGEMENT

USE YOUR POTENTIAL. CREATE JOY.
BMW FINANCIAL SERVICES.

BMW Financial Services offers innovative solutions for financing, leasing and insurance in the automotive sector as a business unit of the BMW Group and is one of the most successful companies in the industry. Right now, we are offering an

Internship Business and Project Management (m/f/x)

As part of an international project you will develop and drive a strategic initiative, extending across locations, in all markets within the Central and Southeastern Europe region, to further guarantee the pole position of BMW within the premium car segment. As part of the business development team, you will have the opportunity to gain experience working for a dynamic company in an international environment, while working with colleagues from various markets in a fast-growing and diverse region.

In this role you will transfer the management decisions in executable plans and you will define project plans and reports. Furthermore you are responsible for the project alignment with project leaders as well as with the key stakeholders. Moreover it is your task to prepare management presentations.

We expect from you:

- You are studying international business or marketing, law, communication studies or similar.
- You might have already gained first experience in project management.
- Very good English, German and MS Office skills.
- Strong communication skills and teamwork.
- Enthusiasm for the brand of the BMW Group.

We offer a good working environment and an interesting and diverse area of responsibility. The wage agreement with a minimum salary is 1.859,-.

Employment type: Internship/fulltime, Earliest starting date: as soon as possible, Duration: 6 months
Take the chance to shape the future in a well established and successful financial services company of the automotive industry.

We are looking forward to receiving your application via our Online-Tool, www.bmw.at/karriere.
